Date of order	Order number	Invoice number

1. User / installation address

Name / firm _____

Street _____ | No. _____

Postal code / city _____

Phone / fax _____

Mobil _____

Email _____

Type of building Home Office High rise Commercial

Water pressure, number of floors _____

2. Installer / Purchase details

Firm _____

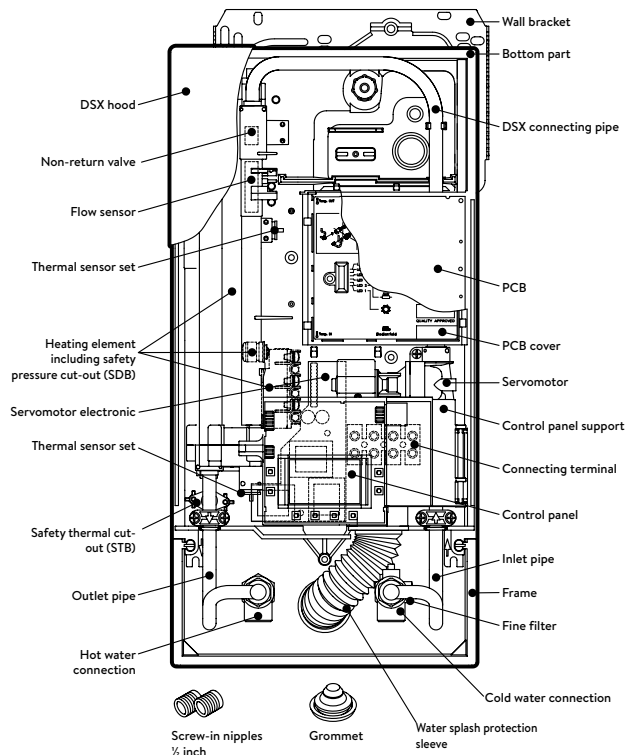

Street _____ | No. _____

Postal code / City _____

Phone / Fax _____

Mobil _____

Email _____

Purchase date	Installation date	Dealer
---------------	-------------------	--------

3. Unit Details

Type	Application area	Installation
	<input type="radio"/> Kitchen	<input type="radio"/> Closed-outlet <input type="radio"/> Direct connection
Serial no.	<input type="radio"/> Bath	<input type="radio"/> Open-outlet <input type="radio"/> Flush-mounted
Power capacity	<input type="radio"/> Washbasin	<input type="radio"/> Single point supply <input type="radio"/> Oversink
Application	<input type="radio"/> Other	<input type="radio"/> Multiple point supply

4. Problem

<input type="checkbox"/> Unit does not heat	<input type="checkbox"/> ER signal	<input type="checkbox"/> Defective component
<input type="checkbox"/> Too little water flow	<input type="checkbox"/> Short circuit	<input type="checkbox"/> Wrong heater choice
<input type="checkbox"/> Unit leaking	<input type="checkbox"/> Too little temp. performance	<input type="checkbox"/> Outside troubles

5. Reason

6. Discovered component

7. Executed service

Replacement Repaired Adjusted No defect Verbal assistance

8. Technical reading of maintenance discovered

T_{in} [°C] | T_{out} [°C] | Flow [l/min] | Phase L₁ [A] | Phase L₂ [A] | Phase L₃ [A] | Voltage | Voltage

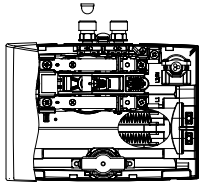

9. Additional information / judgement (must comment)

Place / date
